Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Northlake sanitary sewer lining in the fiscal year 2023 Interior and Related Agencies bill.

The entity to receive funding for this project is the City of Northlake and the project will be located at various locations within the City of Northlake.

The funding for this project will allow the City of Northlake to insert a lining in existing 70-year-old clay tile sanitary sewers to stop water infiltration and outflow of effluent. Lining these sewers is a cost-effective way of restraining their service life for another 100 years while sealing of the separations which allow inflow/outflow migration.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mike Quigley
